Underwater Grass Hunt 2019

1) Your Name _____Phone # _____ Email_____

2)Date Of Hunt:_____

3) River = please circle: South, West, Rhode

4) Creek/River section name: _____

Please Circle the Gass Beds on your chart and number them and rank their density e.g. 1H, 2M, 3L, 4L,

Please identify the species in each bed (horned pondweed, widgeon, Eurasian Milfoil, Coontail, Other)
Please mark the density of each bed

High (H) > 75% coverage, grass is thick, **Medium (M)** 25% to 75% coverage, **Low (L)** < 25% coverage, grass is in small patches.

Example Chart			
Bed #	Species	Density	Notes:
Bed 1	Horned Pondweed	High	This bed was mostly pondweed, with a couple patches of coontail

Bed #	Species	Density	Notes:
